How to Navigate Senior Living Options

Time: 9:00 AM - 10:30 AM

Location: Garden Room, Morris Lawrence Building, Washtenaw Community College

When Seniors themselves or their adult children begin their quest to understand senior living options, the road can be long and confusing. This presentation will help guide the way to what options there are and how to find one best suited to your needs. It can help you figure out contract types, lifestyle options, and even pricing when you are looking for your retirement community options. Retirement communities are not “one size fits all”. Wouldn’t it be great to have your own guide to existing options?
