(734) 998-9338

How does aging and cognition impact driving abilities? Kristin Cahill, LMSW, will offer the latest research statistics about older adults’ driving strengths and challenges. She will also provide practical tips for maintaining driving abilities as well as a list of signs that it may no longer be safe to drive. Kristin will also give recommendations for talking to loved ones about driving cessation and how to ease the transition from driver to passenger.

**Speaker:** Kristin Cahill, LLMSW, Education Coordinator, Michigan Alzheimer’s Disease Center

**Workshop Registration**  
Registration is encouraged for all Workshops as seating is limited at many locations. REGISTER EARLY.
